Take A Walk With Me

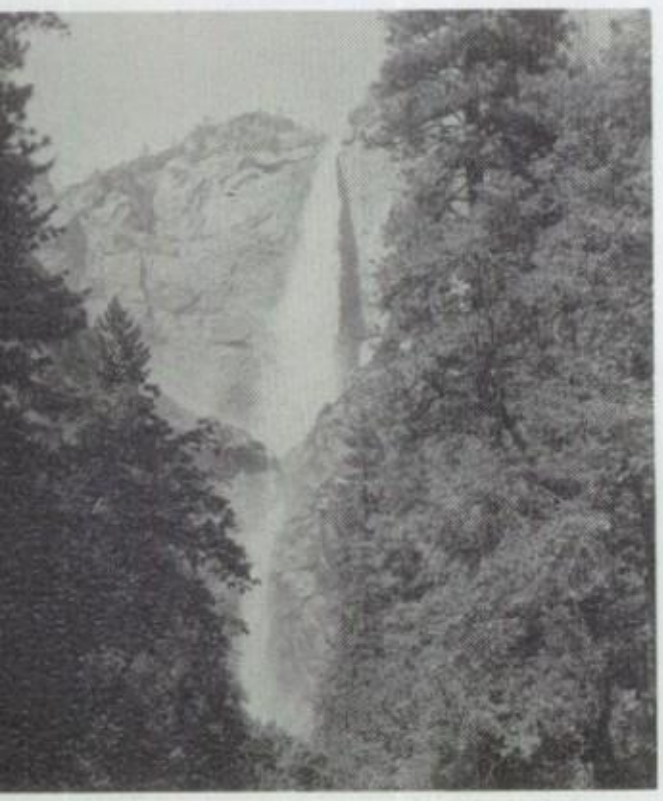
Come walk with me,
we'll travel far,
to places now unheard of.

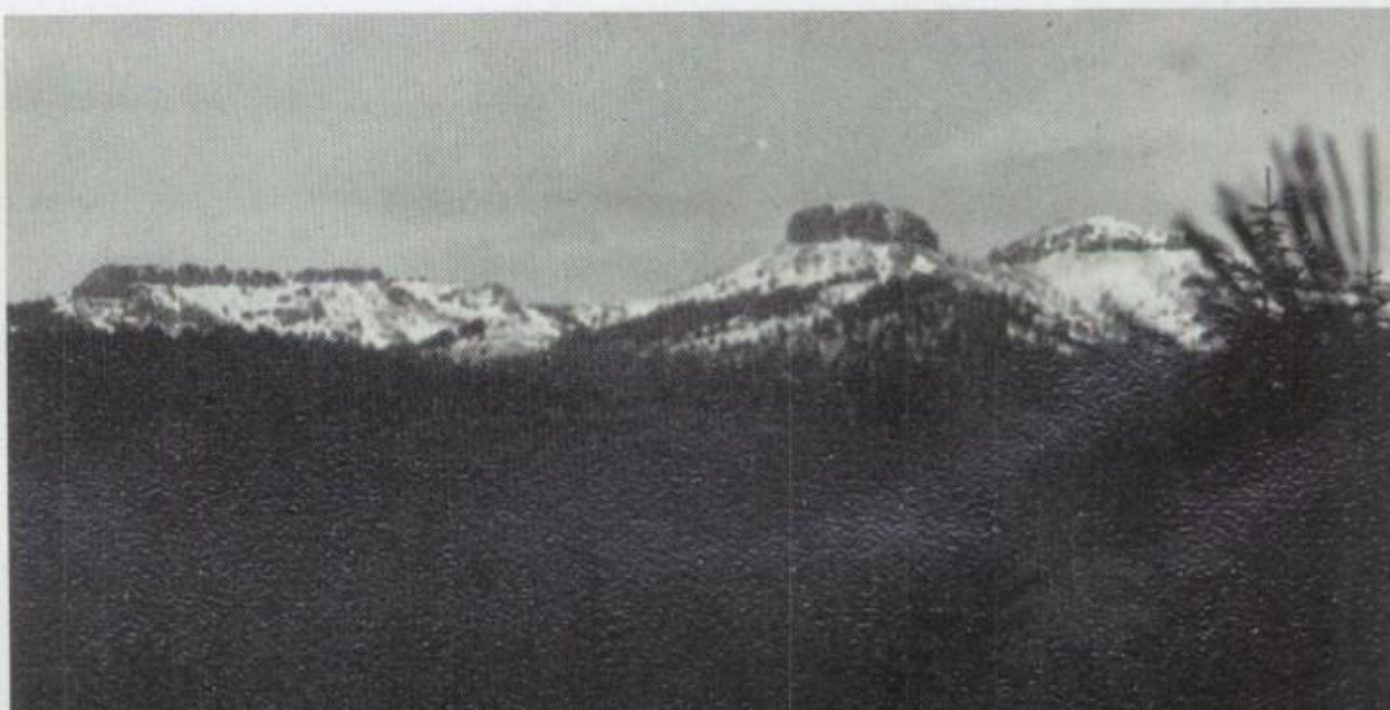
We'll cover paths as yet
untrod,
cross plains with soil
unfurrowed.

Through forest glens,
through silent glades,
across the lofty peaks.

O'er lakes and rivers
undisturbed,
the earth beneath
our feet.

Come walk with me,
for I will show you
places which no man
has seen.





It is with pride
and gratitude,
that we dedicate
this book to

Mrs. Baggett

Never has the day yet dawned,
when she forgets a name,
or how to smile.

Grace M. Davis

In memory
of a friend
1888–1971

I shall be telling this
with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood,
and I-
I took the one less traveled by,
And that has made all
the difference.

- Taken from the poem
by Robert Frost
"The Road Not Taken"

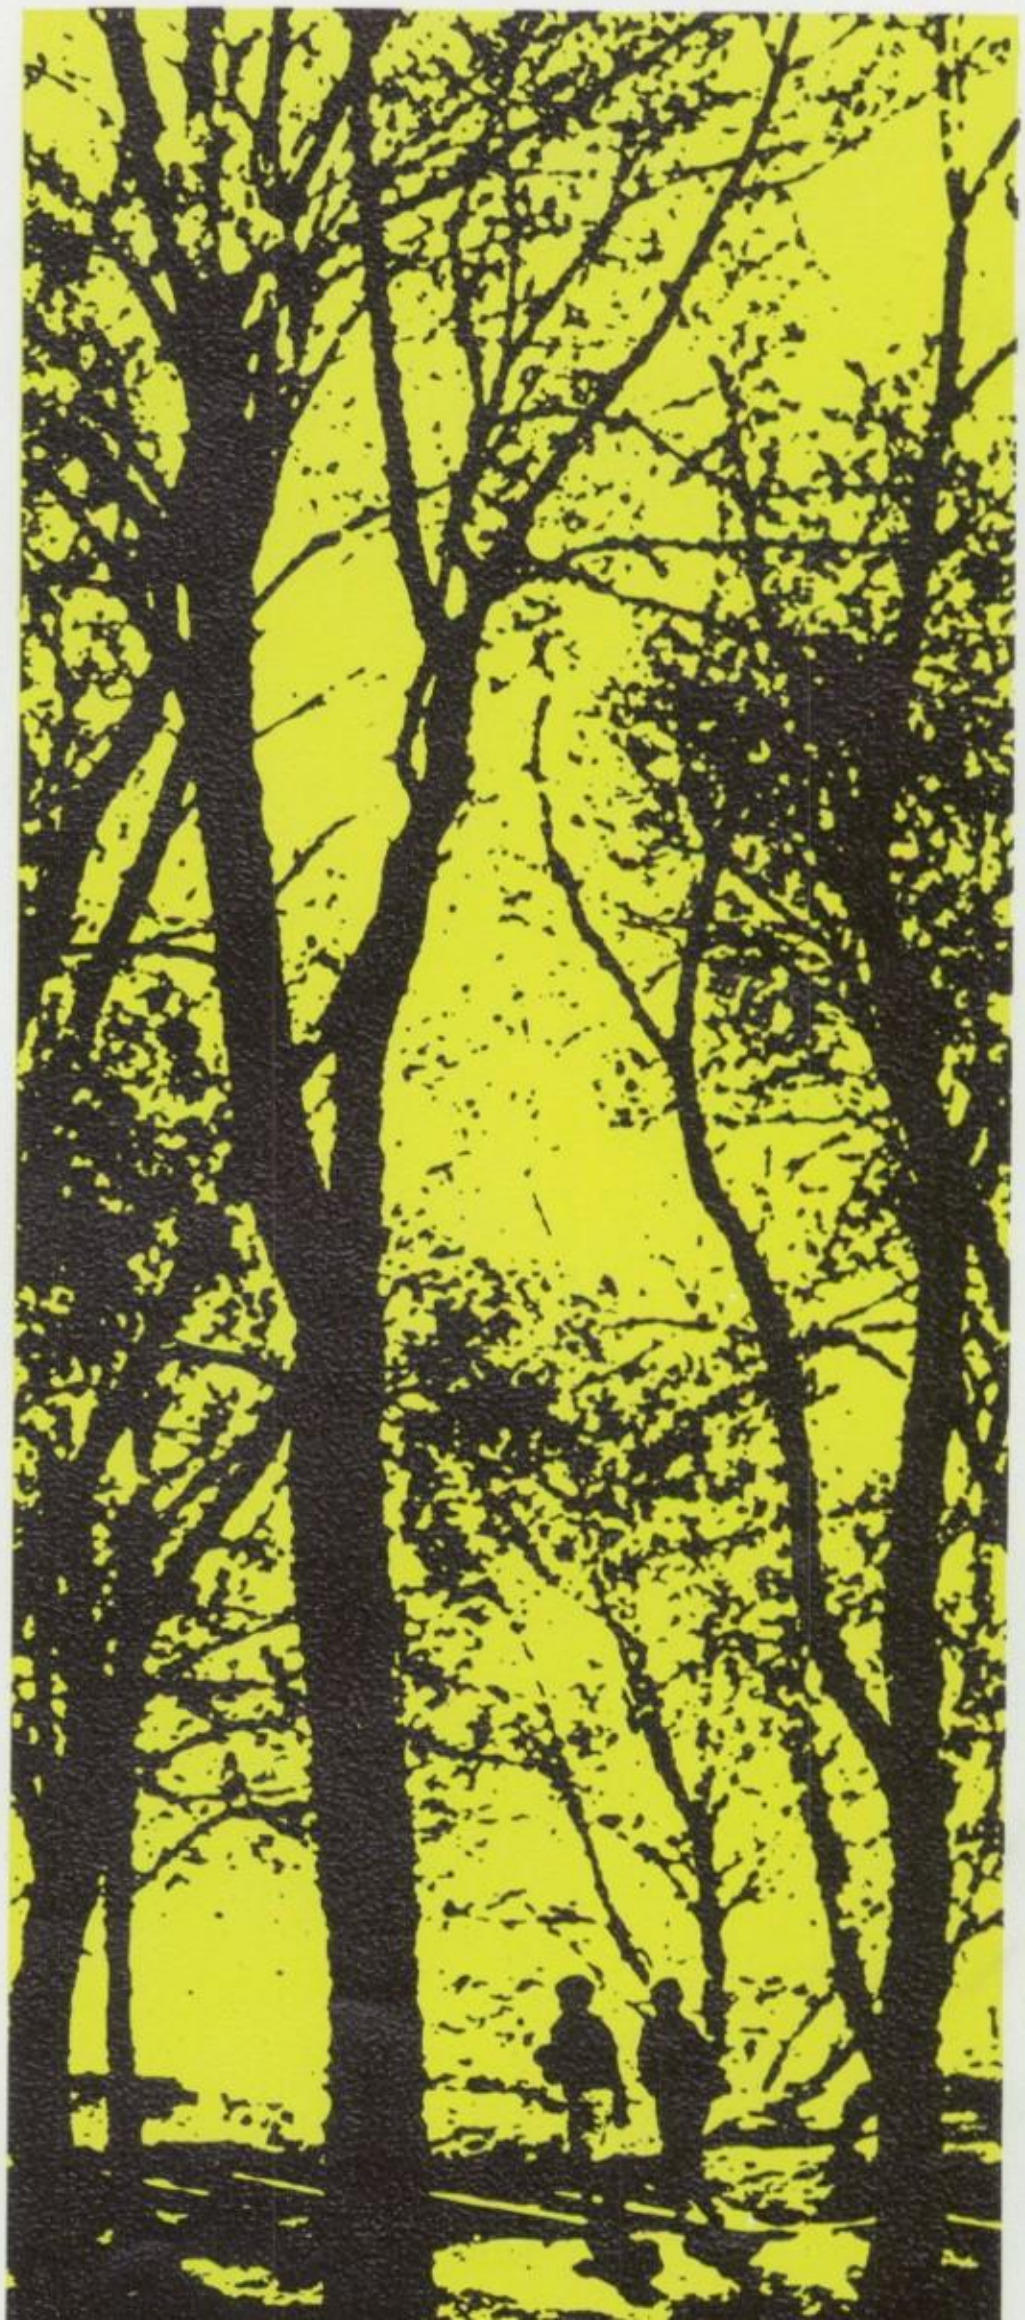
Activities



STUDENT BODY OFFICERS

John Mayol
Vice President

Maxwell Norton—Student Body President

Pat Lawton, Treasurer and Susan Wright Secretary.

Student government took an upward swing in involvement this year. Maxwell Norton, SB President began the year stating, "Our government and Student Body activities will only be as good as the kids behind it."

The Student Body of Davis High has seen changes in many forms: Student Court had power to handle discipline cases; a new safety council was organized to cut down on unseen hazards at school; a new Student-Curriculum Committee was created; and etc.

The most noticeable change at Davis was the No-bell system! The bells were to ring only to announce the starting of school and the beginning and ending of the main lunch periods. All-in-all, it was a successful change from the pressure of ringing bells.

Opportunity, change, and involvement were the pressing messages brought to the '71-'72 Student Body's attention and let's hope it continues!

Co-Rally Commissioners

Rally had a much needed up-swing in spirit this year with Colleen Stansbury and Carol Wherry leading the way. The rally outfits were given important attention. Rules were set and followed, no one was allowed in the funnel without rally outfits on and no one was allowed rally pictures for the yearbook without outfits on — and etc. This year each rally member received a membership card and the only requirement for membership was to have an outfit. Dittoed funnel instructions were passed out to each member and clearly followed. Competition poster painting had low turnouts but it didn't keep everyone's spirit down. Many sports that haven't had any recognition were included in coverage during the rallies. Flash cards came into being for the Homecoming football game, which gave a new look to the rally section. As a whole, the rally's appearance during the year was great!

Miss McCall

Modern Dance

This year, Miss McCall tried to stress that the form of dance demands an awareness of the soul in both the giver and the receiver. Dance becomes a channel by which life is represented and interpreted. Dance beomes the language of the soul exemplified through emotion. Modern dance can be classified as a Fine Art, revealing the inner life in an external pattern. The main message Miss McCall communicated to her students was the fact that although Modern Dance is a form of expression, it can only be developed by the individual artist.

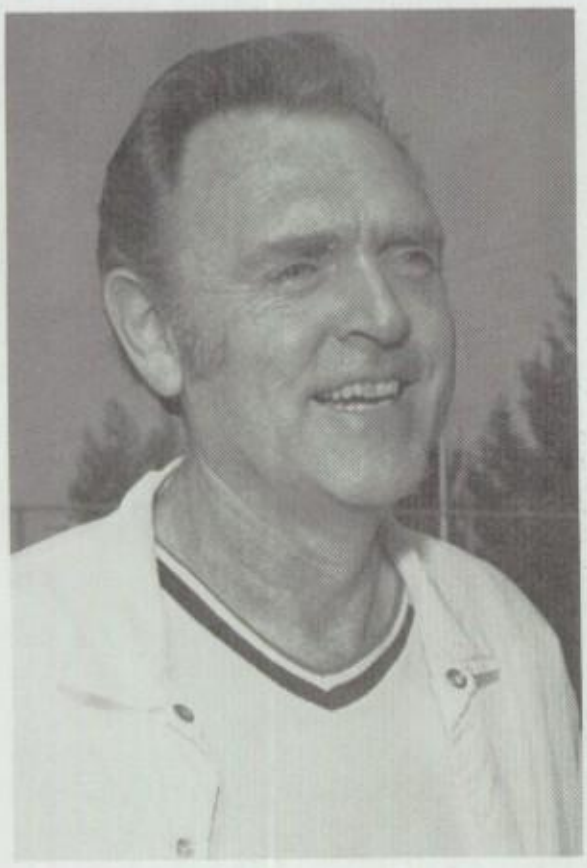
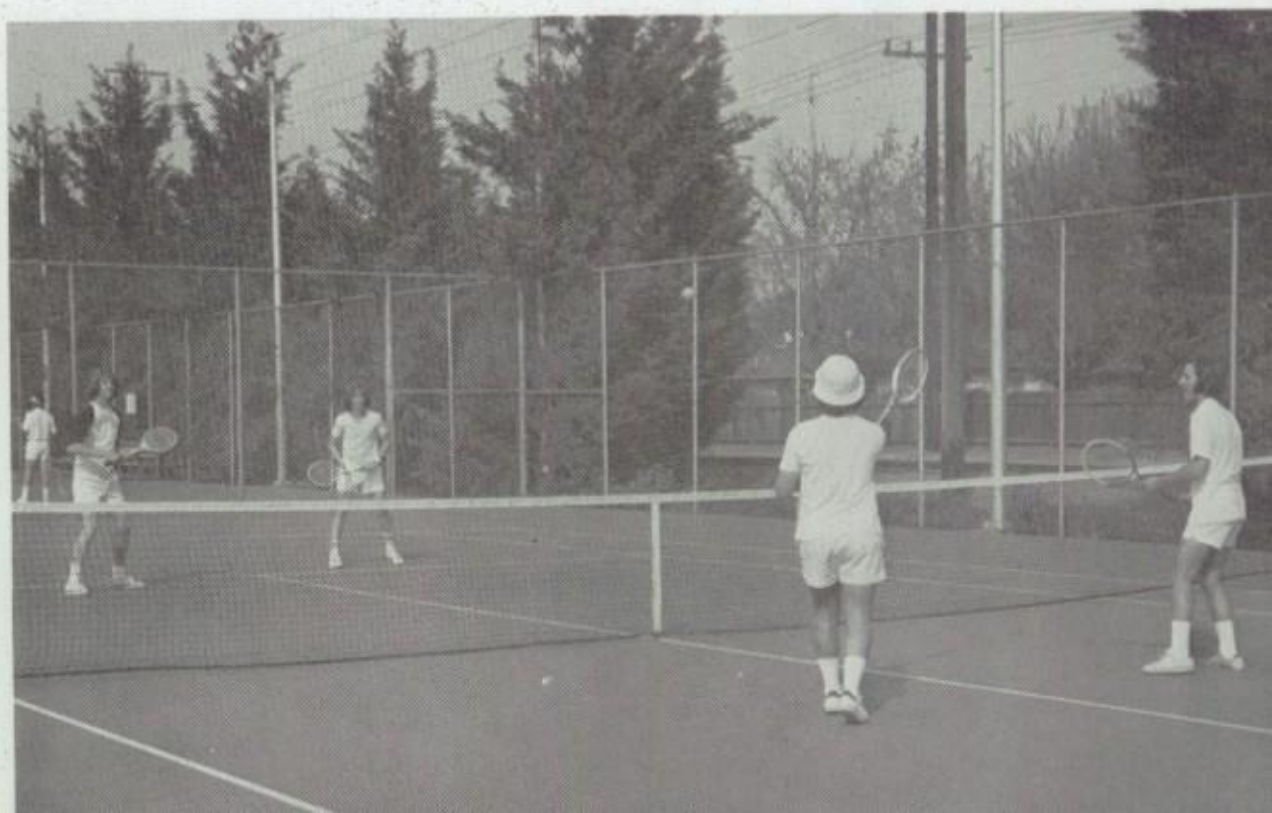
Tennis

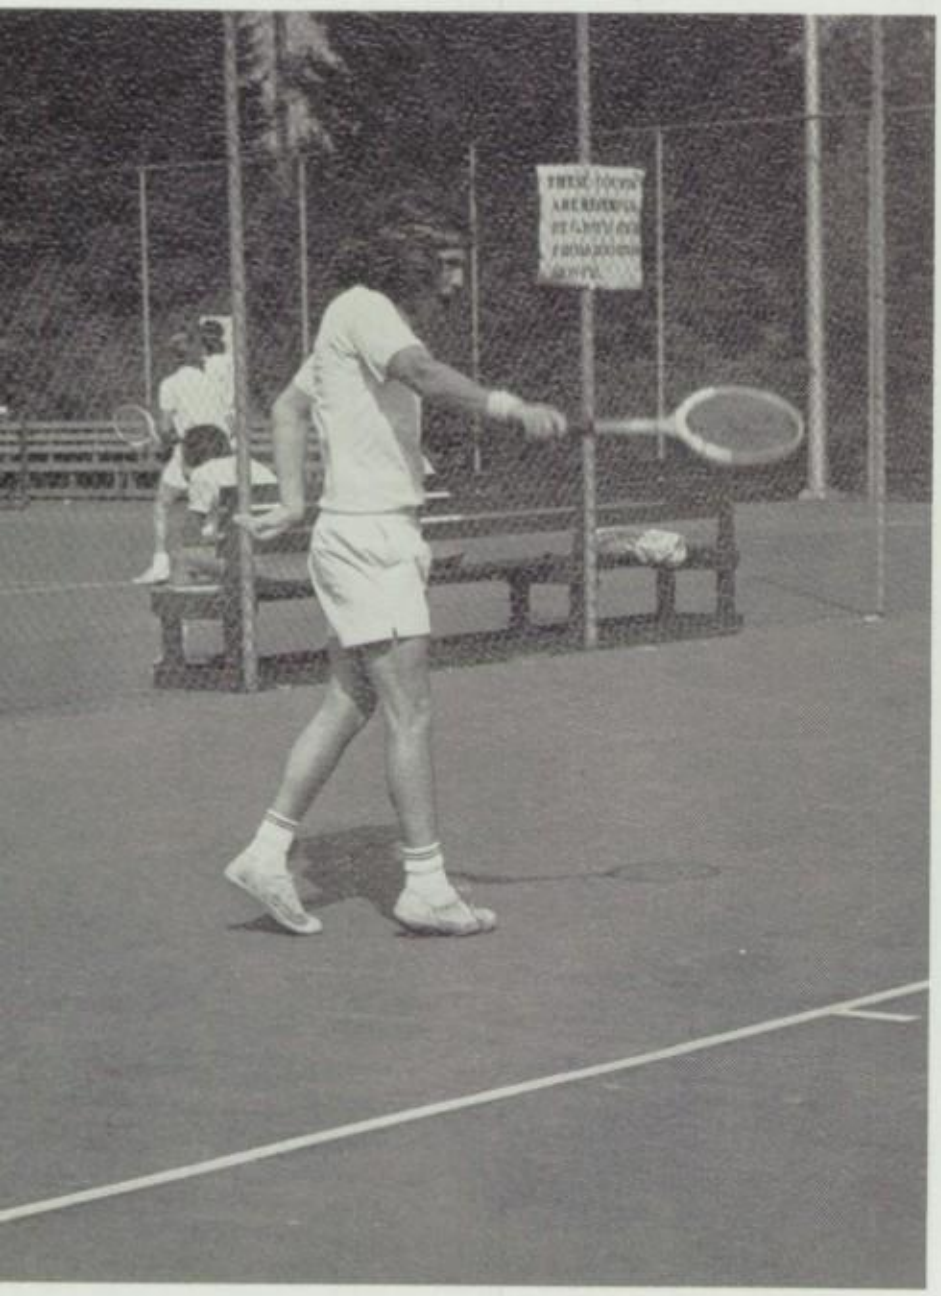


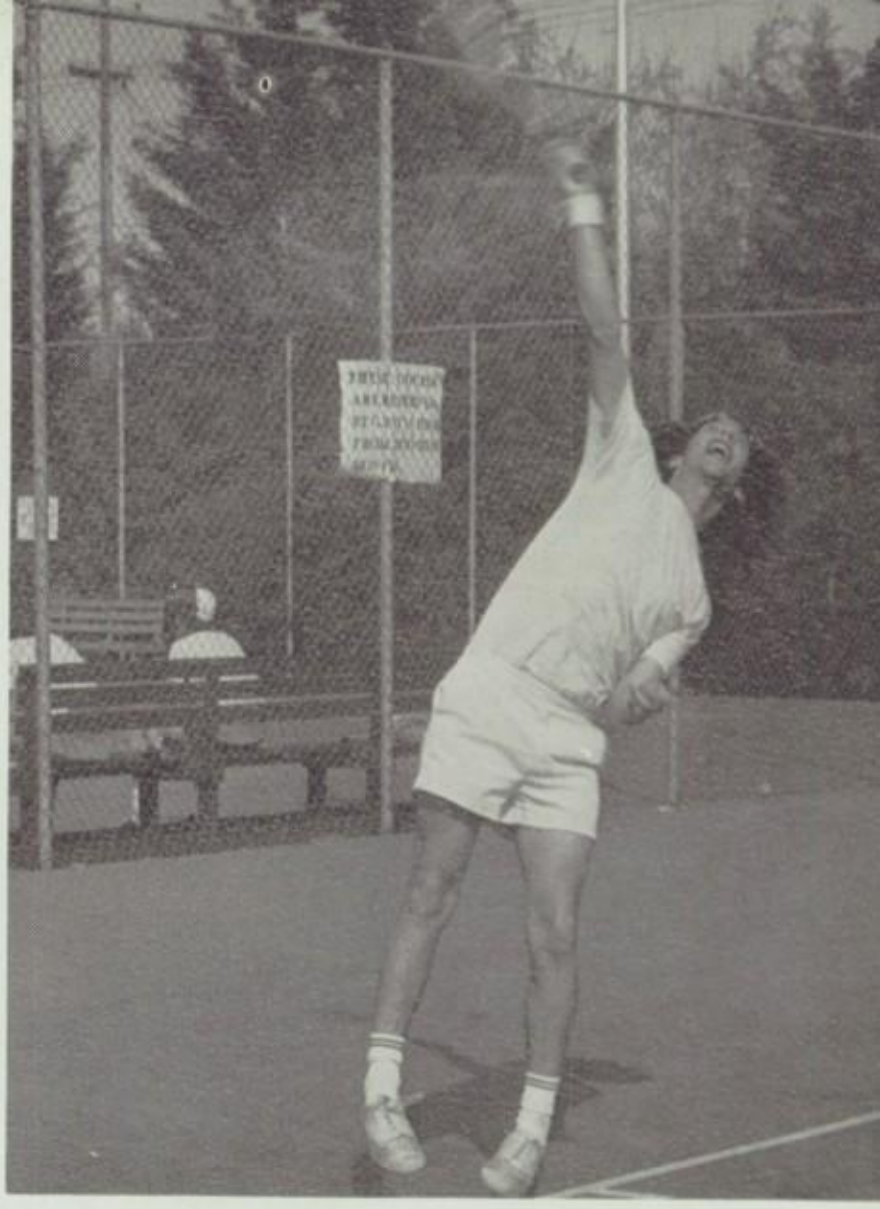
Coach Meyer

Doubles partners Mark Foletta and John Mayol rally against Joe Swain and Vince Tye!



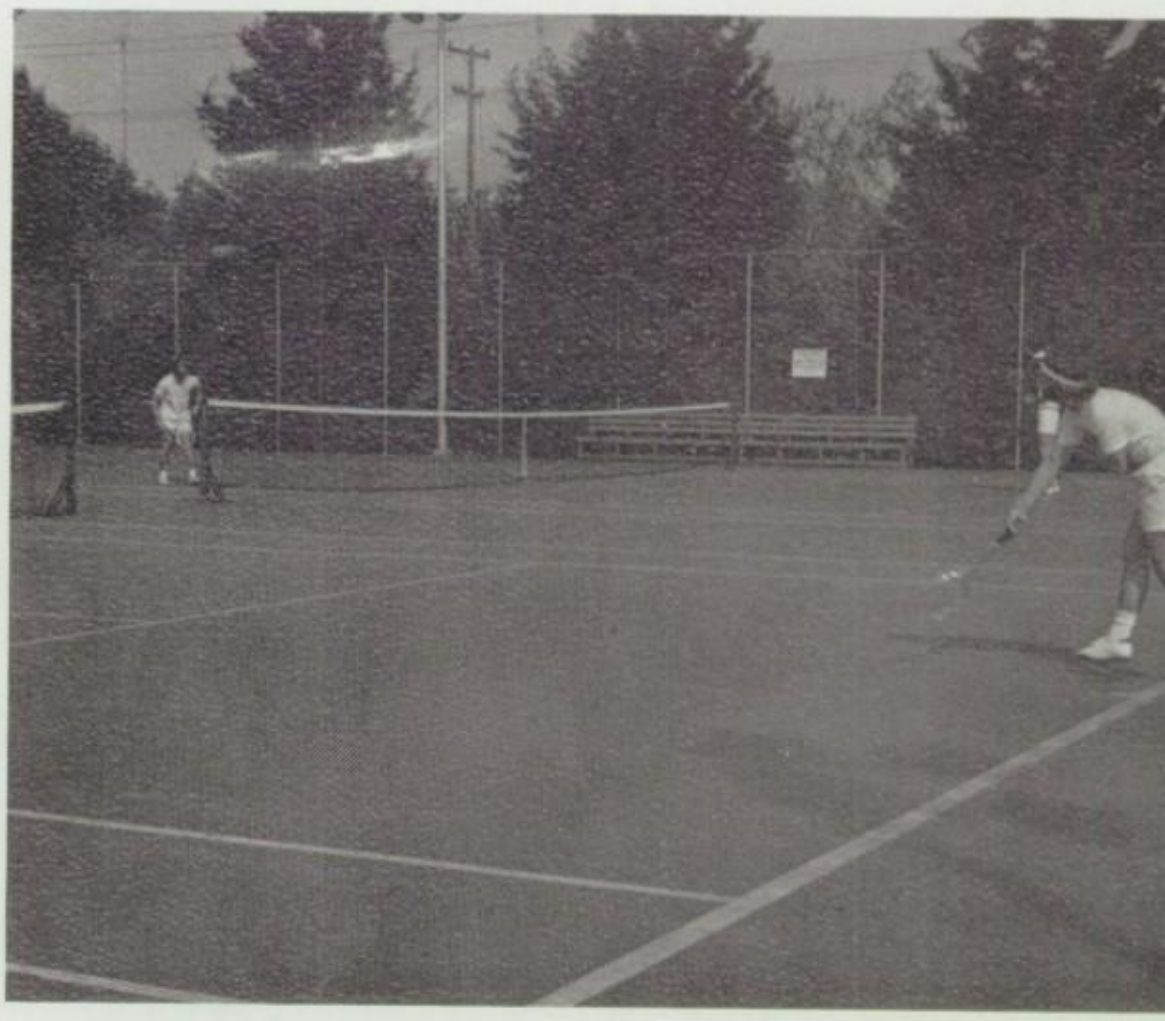
he top man on the tennis team at this time is Kim Jackson who splays his backhand!





The rest of the tennis team feels that Kim Jackson will probably not be ousted from his top spot. One reason is his serve!

Another top man on the team is Ken Check, who is trying to win a grueling singles match below!



Tennis is an enjoyable sport which can help to relax you, but it can also be a grueling test of wits which can exhaust you entirely. If you are not used to running around on a tennis court trying to return a shot, then you shouldn't take up this sport! It takes a lot of time and practice to become skilled at this game but any person, male or female, can become reasonably good at it if they wish to take it up. Once learned, it will probably provide you with hours of enjoyment!

Back row: Steve Keasling, Randy Threlfall, Hank Klor, Greg Myers, Stewart Mensinger. Second row: Robert Marks, Robert Greer, Larry Barnett, Paul Hammond. Front row: Richard Lorenz, Jim Lawson, Richard Shanahan, Larry Palleschi, Mike Fottrell.

To a real
neat'ie! I'll
always remember
our Algebra! Hope
we have you in some
classes next year!
Good luck to you for going
back to school! Nice
knowing you! Time flies
when you're having
fun! Take
care!

Collen Zachen

Andrea Zoodsma

Dave, to a cute, strong nice and sometimes hot tempered guy who i love alot. I think your the greatest. Even though you are a big flirt. Yes, you are. I can tell by all of the girls who signed it. so you cant call me a flirt, ok? I love ya so much. (And you better remember it too. That girl right. You are a big hunk of man, and i wouldnt mind telling everybody at other. I'm also sorry about the way that Ive been acting. I promise going to change. I wish you would stop yelling at me. Please,

I love
